HIGH SCHOOL ANNOUNCEMENT JOB AND CAREER FAIR

Have you thought about what you'll do after high school? Did you know that there are plenty of rewarding and well-paying careers that **don't** require the time and expense of a four-year college degree? It's true. And you can explore many of them at the FOCUS Jobs and Career Fair on Wednesday, September 20th, from 3 - 8 PM. Come with friends or bring your parents and talk with dozens of employers from a wide range of industries about career paths they offer. You can even apply for positions that are available now for high school students! Again, that's Wednesday, September 20th, from 3 - 8 PM At America Place in Jeffersonville.
